

Respect Ballarat is a community-driven approach to preventing gendered violence.

It's about every part of the community coming together to take action for a Ballarat where everyone is safe, respected and free from violence.

Learn how you can get involved

www.respectballarat.com.au

We all have a right to be safe, respected and free from violence. But many of us weren't taught what safe and healthy relationships should look like.

Respect Ballarat brings together every part of the community - from organisations, government and leaders, to parents, sports clubs and young people - to prevent gendered violence together.

Together, we can create a Ballarat where everyone is safe, respected and free from violence.

This work is proudly supported by Respect Victoria in partnership with local organisations.

Flyer printing guidance

Print this flyer in A4 or A5 to hand out at events, training sessions, in your community centre or sports club.

For the best visual effect, print the flyers on a neon yellow card to make them pop! Otherwise, print on white paper or card.

Want to create a tailored version of the flyer for your audience? Great! Feel free to use the messaging in this one and tailor for your own needs. Reach out if you have any questions at hello@respectballarat.com.au
